

Activities Calendar

February 2010 Footprints is available on the Border Bushwalking Club website www.borderbushwalkingclub.com.au

A note to all; the committee is looking for more leaders. Our concern is that too much is being left to too few and we are in danger of burning them out. It is a never ending dilemma and we on the committee, would urge all members to give considerable thought to leading an activity. Should anyone wish to give it a go, we would be delighted, and happy to provide assistance, either before the event or in the form of a co leader. Please give this matter your serious consideration.
